TYNER THE DON

OPENING HIS NEW SPEAK EASY

"THE TOP HAT CLUB" IN THE CORONADO CAYS NEW YEAR'S EVE AT 7PM

The Don is ringing in the new year with his new 8,000 square ft Club on the bay. The Don fled Chicago in his newly purchased 76ft yacht, Black Gold, barely escaping capture. Although "Tyner, The Don" assures law enforcement agencies no liquor will be on the premises, rumor has it crates of champagne have been smuggled into the San Diego area.

This high price evening is by reservation only and space is limited. The guest list includes the most notable gangsters from the Irish and Italian mafia, which makes for a deadly evening. Dolls and flappers are arriving by train and spending their evenings in the famous Hotel Del Coronado. A "C-Note" for the doll's visits to the ladies room is advised.
