It's Summer—Namaste at SeaCCYC!
Commodore Dave Murree

Nobody told the sun, but summer is upon us! We were lucky enough to get some sunshine on both *Opening Day* and *Mother's Day* where we had record breaking numbers of you join us. Those two events mark the beginning of our summer here in the Cays. We have so much more coming and I hope that you get the chance to join us for each and every event.

Memorial Day weekend brought our annual *Battle for the Paddle* with *Southwestern Yacht Club*. The Paddle hangs in the Burgee Lounge and is a point of pride for CCYC—check it out! We have several raft-ups planned for *La Playa, Glorietta, Mission Bay, and Newport/Catalina*. Our C-Gulls will host the *Clam Bake* and sponsor *a club-wide trip to Santa Barbara*, we'll have a *4th of July Boat Parade*, and several other *bocce* tournaments. We'll also have live music every Friday night and other member events, including an *Electric Boat/Dinghy Event* on *Saturday, August 5th*, (with, you guessed it, a *Circus Circus* theme), *Big Brother/Big Sisters* boat rides, and our *Make-A-Wish* fundraiser. We will also be bringing back *Bingo* for the summer and for the *Texas Hold'em* players, we will have a *tournament fundraiser in August!*

We truly try to have something for everyone to enjoy in our Club! But we couldn't do any of this without our many, many volunteers. We, like most yacht clubs, depend on our volunteers, which leads me to my last point this month. If you want to get involved, we truly welcome your participation. Please consider joining one of our committees that make it all happen. Just pop into one of these meetings and join the conversation to improve our Club!

The View from the Crow's Nest
*If summer has one defining scent, it'd
definitely be the smell of barbecue!*
General Manager Dan Parker

I hope everyone had a fantastic Memorial Day Weekend! Our friends from Southwestern Yacht Club joined us for our BBQ on Saturday and we had a HUGE turnout for the **Battle for the Paddle** bocce tournament on Sunday. Summer is now upon us, although you wouldn't necessarily know it looking out the window!

June 1st, we will see the first billing from our new system, **Club Essential**. We have been working hard behind the scenes to get this up and running. I've heard a lot of great feedback about member experience in the dining room, from speed of settlement tickets coming out, to positive feedback on the iPad ordering. We are prepared for some teething issues during these first couple of months in the billing cycle. Please bear with us. All hands will be on deck to answer any questions. You will receive one statement containing your dues, food & beverage, and any other items such as storage units, slip fees, etc. This should make it a lot easier for you to make sense of your bill.

Tacos Saturdays will continue through the summer, 11am-2pm, in the lounge. It's been a great success, and continual monitoring shows the that we no longer lose money on Saturdays by the necessity of having a full fleet of kitchen and server staff in the Club.

Please remember to get your reservations in for our spectacular **Father's Days Brunch** on **Sunday, June 18th**. We are hosting **Big Brothers/ Big Sisters on June 4th**, which is such a worthy cause. We have a lot of sign-ups to take the littles (and their bigs) out on the water, but can always use volunteers to take them down to the docks and help in other ways.

June's **Employee of the Month** is **Julio Jimenez** in our maintenance department. You might know Julio from his recent famous win of **Employee of the Year** at our Opening Day celebrations last month. You may also know him as the friendly guy who is always ready to help with that sparkling smile and great work ethic. Pedro and Julio do such a great job! Thank you for all you do, Julio, and long may it continue.

Summer is here—come enjoy it at your Club!

~Cheers!

Hello Mates!

IN THE CORINTHIAN SPIRIT

Wow—what a fabulous set of recent events! We had record attendance at Easter, Opening Day and Mother’s Day. And here comes *Father’s Day* and *Fourth of July*—don’t miss out on any of it!

Thank goodness for our great House Committee Members who have contributed so many hours to assembling centerpieces and fabulous decorations for each event. Special thanks to Teri Brazell and Amy Turk who did the late evening work before the doors opened the next morning! You were my angels in disguise.

ON THE HORIZON

Our complimentary chair massage therapist will return to relax our Dads’ shoulders at our CCYC *Father’s Day Brunch*, so make your reservations early to honor Dad at ccyc.org/reserve. Let’s give our Dads their due for the roll they play in raising good human beings. We need you now more than ever!

Plates and Pairings Dinner

We are now surveying whether we have enough Marina Tenants who will be willing to host the *Plates and Pairings Dinner* on the docks again this year. Stay tuned for a flyer announcement. If we have enough participant hosts, the event will be held on a Thursday evening in August. It’s a wonderful evening and this event has sold out each of the past two years.

Summer Surprise!

Save the date: *Saturday, July 22nd*.

That evening will be a *Special Summer Member Event* with details in the next Navigator.

Never a dull moment at CCYC!

See you on the water!

From the Quarter Deck

Summer— at the end of the day, your feet should be dirty, your hair messy, and your eyes sparkling! If they aren’t, buy a boat!

A hoy shipmates!

Here comes the sun! At least we hope so—enough of this June gloom already! Regardless of the weather, I am happy to share that our membership is looking bright. As of this month, we have grown our membership over last year and I am proud to welcome the following new members to CCYC as of the May Board of Directors meeting.

Scott Metko has a 28' Chaparral and lives here in the Cays. He became familiar with CCYC after visiting with a few different couples (thank you Jim & Kristin Caltrider and Jason & Melissa Thomas). Scott is joining the Club as an Equity member.

Steve & Christina McDonald are residents of Imperial Beach and are joining the Club with a Military membership, sponsored by Elizabeth Chamis & Kristan Horney.

Gregg Anderson is in the process of purchasing a boat and plans on keeping his vessel in our marina. He wants a floating condo and the ability to visit his family when he is in town. Gregg will be joining the Club as an Equity member.

Eric & Julie Ruschke, who are sponsored by Jackie Meiner & Alicia Wolfe, reside here in the Cays and will be joining the Club with a Military membership.

Likewise, **Joshua and Caitlin Scarber** are joining the Club as Military members and are being sponsored by both Cruise Captain Kelly Cooper and his wife, Jen, along with Paul and Alicia Wolfe.

And last, but not least, we have **Maria Beatriz Fimgals & James Alexander** who are joining the Club as Social members. They have resided in the Cays for a long time and recently bought a new home in Blue Anchor village. They are sponsored by both Lisa Storey and Karina (Kina) Formiller.

Please look for more detailed introductions to these new members in coming months. As a friendly reminder, please wear your name tags so that new members can meet you and introduce themselves. After all, we are the friendliest yacht club in the west!

Look forward to seeing you in the Club and always feel free to reach out to me directly!

Fair weather and following seas to all!

Welcome Aboard!

CCYC On Around the Water

Opening Day Really Was a Circus!

Thank you to all the captains and crew who dressed up and participated in our **51st Opening Day Boat Parade!** You all made the event really special. Additionally, a special shout out to Cruise Captain Kelly Cooper for his daring plunge into the Bay. Never underestimate a Navy Seal—especially one dressed as a ringmaster!

We had winners in two categories: **Traditional** and **Circus Circus**.

The **Traditional** winners were: **Bel Ami** Captain Bill Barsz, Jeri Barsz, Carolyn Carswell, Mike and Diana Durgin, Tom & Isabella Bettis, Gary & Linda Plambeck. (Ken Mischel was forced to stay below in leg irons as punishment for non-compliance with the traditional dress code & other infractions too egregious to mention).

And our **Circus Circus** theme winners were: **Paws and Play** Captain Rome Ventura, Trish Graisy, Mike & Diana Jones, Bridget & Steve Hurst, Mary & Tom Lawler, Sharon & Jack Kent. Be a clown, be a clown...all the world loves a clown!

Well done everyone!

Scuttlebutt

Summer is here. My wife in the process of moving all our bad habits outdoors—in France.

Fleet Captain Glenn Cross

Happy Summer— finally!

I can not believe the *Ale Beer Can Series* is over and we are well into the *Lager Series*. We have had cool weather with a little rain thrown in. The good news is that the cooler weather brought us better wind on Wednesday nights!

So far we have completed two series:

The *Winter Classic Series* ended March 4th. The first place finishers for each class were: Class 1: Van Hughes on *Paladin*, Class 2: Steve Bowman on *Iulani* and Class 4: Bill Barsz on *Hot Flash*.

The *Ale Beer Can Series* ended on May 3rd. The first place finishers for each class were: Class 1: Chip Buck on *Shadow*, Class 2: Steve Bowman on *Iulani*, Class 3: Jim Besikof on *Sail A' Vie* and Class 4: Nanci Copley on *St. Lulu*.

We are well into the *Summer Classic* and the *Lager Beer Can Series*. There is great competition as well as excellent camaraderie amongst our racing members. If you have ever thought about entering your sailboat in a race, there is no better place to start.

We have three levels to choose from. Experienced racers are in our Class 1 and Class 2. For first-timers, there is Class 3 (for our not-so-serious racers), still competitive, but for anyone just wanting to enjoy a good sail. We still have plenty of racing left this year!

As a reminder, we hold a **Sail Fleet meeting** on the *first Friday of the month*. Everyone is welcome! The boats are always looking for crew and I can always use a hand with race committee. No experience necessary!

Be brave— and I'll see you at the starting line!

Main Sail Trim

Sail Captain Darrell McNurlan

Greetings CCYC Members!

Hey all! The *Cays Basin Kick-Off Raft-Up* was a huge success: no calls or visits from law enforcement or our neighbors!

Sadly, however, we had to cancel *Glorietta Bay* at the last minute due to...what?

- ▶ **Bad weather?** Didn't seem to bother *Southwestern Yacht Club* - they brought over 30 boats to CCYC!
- ▶ **Lack of our usual party spirit?** Not from what I saw this past weekend.
- ▶ **Or maybe no one could see the various flyers and sign-up sheets in the hallway?** I highly doubt that.

So what's up CCYC? Although it doesn't look a lot like summer outside, 'tis the season to get out on our boats and have some fun!

I encourage all members to sign up for our summer raft-ups. It's a great way to use your boat, meet new people, get a little sun (maybe — finally!), and experience floating cocktails. What could be better?

The schedule for the rest of the summer is as follows:

- ▶ **June 16-18, La Playa Cove**
- ▶ **1-4 July (4th of July,) Glorietta Bay**
- ▶ **11-13 August, Mission Bay**
- ▶ **1-9 September (Labor Day) Newport & Catalina**

I'll leave you with an old nautical saying that some folks learned on their first raft-up: *"Always have one hand for yourself and one hand for the ship!"*

Hope you see you all "tied up" this summer! Haha!
— Kelly

ABOVE: CCYC's *Cays Basin Kick-Off Raft-Up* was a success.

Far-Off Ports

*A balanced diet is a glass of rosé in each hand.
Oops, that doesn't leave one for the ship! My bad.*
Cruise Captain Kelly Cooper

Congratulations to C-Dock for winning Best Dressed Dock!

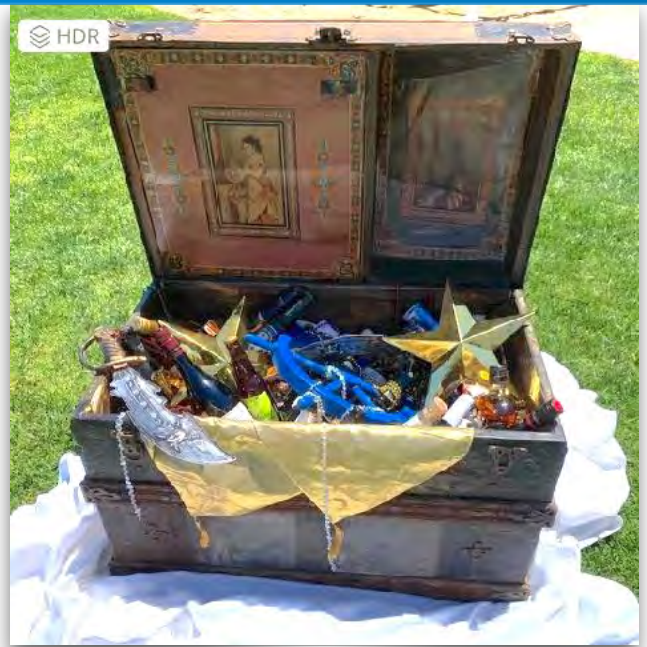

Our marina rose to the occasion and decked the docks in all their finery for *Opening Day!* Our Club certainly knows how to dress for success. A special shout out to C-Dock- you rocked the docks! Can't wait to dive into that treasure chest!

It's that time again. We're set for **July 1st** for the next **CCYC Marina Tenant meeting at 9:00am** at the Club. We will be handing out the new revisions of the *Marina Rules and Regulations*. We will have an open format so we can go over some of the additions and changes.

Good news! We have completed the renovation of the electrical components in our E-Dock Boxes. D-Dock will be next.

Finally, we have started some of our boat inspections and will be moving forward to get all vessels inspected for a safe boating season this summer. For those of you who live out of town, please schedule an appointment to have your vessel inspected (either with your Dock Captain or with me) the next time you visit your boat. If you would like to have us inspect your boat in your absence, please give us instructions as to how to enter your vessel.

See you on the docks!
(Oh, and nice hats ladies!)

In the summertime, you get to do all your favorite things, like cook hot dogs over a campfire (while being eaten alive by mosquitos).

Port Captain Dave Knapp

S.O.S!

SOS, means *Save Our Ship* to most folks. But in the early days, the Club had a viable Jr. Program and there were Sabots galore around. What could be more fun than an ADULT Sabot Racing series, using the kids' boats?

So, the “*Sabot on Sunday*” was born.

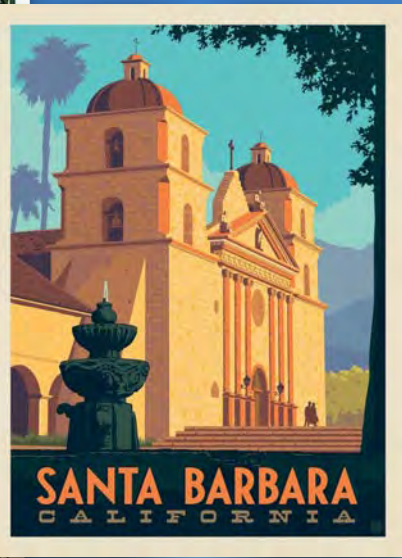

Now, you gotta remember the membership was a bit younger, a bit spryer, a bit less medicated, and significantly less reserved in those days. It took a true yacht club aficionado to jump in to a 7'11' plywood non self-righting sailboat with no ballast and head out to open water for a full-on race. But we did it.

A dozen hardcore parents and members cajoled their way into a Sabot for three days of windward/ leeward competition. Keep in mind that things get a little bit challenging in Sabots in over 10k of wind - especially down wind. It was no fun for the rescue boat either. Not a problem to fish a 10-year-old weighing 80 lbs. out of the water, but try to get an exhausted, overweight, angry, and wet parent who's not the most agile of capsizers into the committee boat. That was a challenge! Thank goodness the R/C was a bit fitter in those days.

Results? I was afraid you'd ask: Bill Barsz was up there, Ken and Nanci Henehan and Marcia Hughes made the podium, along with Jerry Newmin and S/C Don Parkinson. “At least the water was warm,” they said. By mutual accord, this event was voted on to be held quarterly. No, not four times a year, every quarter century.

Stay tuned.

Welcome to June, and it's really OK if the gloom doesn't stay! There's so much going on to tell you about. *The Galley Restaurant Voyage* is on **Wednesday, June 7th**, so you still have a few days to get your check in by **Monday, June 5th**.

There is also a **land trip to Santa Barbara, September 5th to 8th**, organized by Cruise Captain Carmen Loheed. Many of us have already made our hotel reservations, as we want to be a part of this grand adventure. Hope you, your spouse, and friends will join us. **This event is open to all members of CCYC and their guests** — the more the merrier!

For the past several months your carpet committee, Deb Goelz, Linda Plambeck, Anna Paul, Chris Whitacre, and I have diligently been working on choosing the new carpet and flooring for our Club. At the *May luncheon*, we presented our selections to you. Lots of questions were asked and answered. A *Motion to Approve* was made, and the vote was **yes** to accept the proposed carpet and LVP flooring for the dance area in the bar.

At the *May CCYC Board of Directors meeting*, the carpet committee and I again presented our selections. The Commodore thanked the committee for all their hard work in getting a consensus for a new design plan for the Club. The BOD approved the carpet for installation throughout the dining room, Lipton Cup room, reception area and the BOD room.

However, the Burgee Bar and Lounge concept was not approved by the BOD, but rather put on hold. It was their decision to look into removing all the flooring in the bar and lounge area, including the ceramic tile, and install a single color LVP flooring to improve safety (eliminate uneven flooring heights), as well as add more versatility to our overall room set-up capabilities. Any acoustical issues will also be addressed. The Bridge is looking into colors for the LVP flooring and will present their findings at the next BOD meeting in June.

Once approved by the CCYC BOD, installation will be coordinated with GM Dan Parker in order to have all the flooring throughout the Club finished in the same time frame. It is everyone's hope this project can be completed by mid-July. Either way, the new decor will be stunning and C-Gulls can add another feather to our cap!

We are still looking for volunteers to head up the **October** and **November** luncheons. Think about what type of event you would like to attend and then run with it. Let Carmen or Deb know, as new ideas are the best and there are lots of us to help you!

That said, remember, **"The quality of our relationships determines the quality of our lives."**

SAN DIEGO

AMAZING RACE!

On your mark—get set—GO! You say you want FUN while supporting a great cause? Well, here's your opportunity. One of our yacht club's goals is to give back to the community, so I am proud to announce that CCYC will be hosting the **2023 Make-A-Wish Amazing Race on Sunday, September 10th**. The 14th annual event is sure to be a ton of fun as it has been in the past. We hope to be even more successful in fundraising than we were last year and have set a goal to raise \$100,000.

For those who may not be familiar with this event, it's an energy filled day where both bike riders (teams of ten) and boaters (typically teams of 6-8 people) compete in friendly challenges while raising money for **Make-A-Wish**. We have a luncheon at CCYC, along with raffle prizes, silent/live auction items, music, and amazing speakers. **Make-A-Wish San Diego** grants wishes to children diagnosed with critical illnesses in our community. There are currently over 300 local children in the process of receiving a wish and every dollar we raise helps make their wishes come true.

The planning committee has been meeting for the past few months and we already have commitments from seven bike teams and two boat teams. We are looking for more bike teams and boat teams to participate in the event, as well as volunteers, silent/live auction donations, and financial headline sponsors.

We look forward to the 14th annual Amazing Race event in 2023! Please check out the website [The 14th Annual Amazing Race For Children's Wishes: Learn More - Make-A-Wish Foundation](#) and/or contact Lisa Brenden at lbrendenccyc@gmail.com or 619-865-3885 (cell) with questions and you interest in participating in the event. Thank you for supporting this important cause and we look forward to seeing you there!

POKER NEWS

In addition to the regular hold em' games each Monday, the CCYC poker group has tournaments on the 3rd Monday of each month. Points for participating and for placing in the top ten each month are awarded with the ten players with the most points seated at the final table in December to determine the Club Champion. In May, Jack Shirey Jr. returned to the winner's circle topping a lively group of 13 players.

The next tournament is on June 19th at 6pm and a special tournament will have been enjoyed over Memorial Day weekend. Regular games are Mondays at 6pm and new players are always welcome!

JUNE 2023 BOOK CLUB SELECTION

The Sea Detective - Mark Douglas-Home

Cal McGill is an Edinburgh-based oceanographer, environmentalist and one-of-a-kind investigator. Using his knowledge of the waves - ocean currents, prevailing winds, shipping records - McGill can track where objects came from or where they've gone. It's a skill that can help solve mysteries ranging from disappearances to murder. Two severed feet wash up on two different islands off the coast of Scotland. Forensics shows that the feet belong to the same body. As Cal McGill investigates, he unravels a web of corruption, exploitation and human trafficking, which threatens many lives across the globe - including his own....

JULY 2023 BOOK CLUB SELECTION

Swimming to Antarctica - Lynne Cox

Lynne Cox writes about swimming the way Saint-Exupery wrote about flying, and one sees how swimming, like flying, can stretch the wings of the spirit. At 14, she swam 26 miles from Catalina Island to the mainland; at 15 & 16, she broke the men's and women's world records for swimming the English Channel; at 18, she swam the 20-mile Cook Strait between North and South Islands of New Zealand. She was *the first* to swim the Strait of Magellan (the world's most treacherous 3-mile stretch of water), the Bering Strait from Alaska to Siberia (opening the U.S.-Soviet border for the first time in 48 years), and the Cape of Good Hope. And finally she is the first person to have swum a mile in zero degree water in Antarctica.

AUGUST 2023 BOOK CLUB SELECTION

The Wager - David Grann

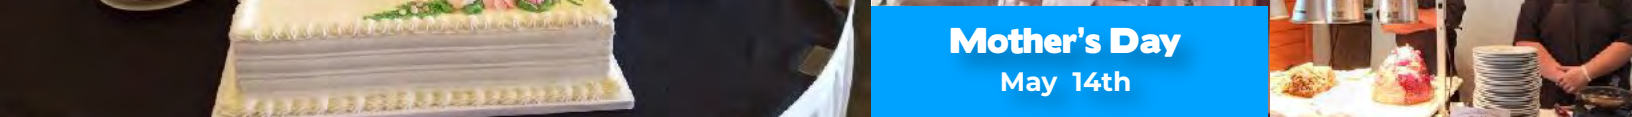

#1 NEW YORK TIMES BESTSELLER From the author of *Killers of the Flower Moon*, a page-turning story of shipwreck, survival, and savagery, culminating in a court martial that reveals a shocking truth. The powerful narrative reveals the deeper meaning of the events on *The Wager*, showing that it was not only the captain and crew who ended up on trial, but the very idea of empire.

“Riveting...Reads like a thriller, tackling a multilayered history—and imperialism—with gusto.” —Time

Island Dreaming... Greek Horiatiki

CCYC is an island unto itself so here is a little Greek Island inspiration! This authentic recipe will capture our taste buds and is real 'eye candy' if you are entertaining. Crunchy, fresh, juicy and filled with flavor...and it just may put you in the mood for a Greek Island adventure! It brought back wonderful memories for me.

Ingredients: *One salad – Serves two*

- ▶ 3 ripe tomatoes cut into large wedges
- ▶ 1 medium English cucumber peeled and sliced into large 1/2 inch slices
- ▶ One dozen pitted Greek Kalamata black olives
- ▶ 1 small red onion, sliced thinly
- ▶ 1/2 small green bell pepper sliced thinly
- ▶ 1 large chunk of feta cheese (3 ounces)
- ▶ 1/2 cup good quality Extra Virgin Olive Oil (the extra is for drizzling)
- ▶ 1 tsp dried Greek or Mediterranean oregano
- ▶ 3 tbsp red wine vinegar
- ▶ Kosher salt
- ▶ Capers
- ▶ 1/2 packet sweet and low

Directions:

Dressing:

Mix together 1/4 cup olive oil with the red wine vinegar, Kosher salt and oregano, and sweet and low.

Salad:

Plate the ingredients starting with the tomatoes and cucumber on the bottom. Drizzle some of the dressing next. Then add the onions and peppers along with the olives. Place the feta cheese along the sides. Drizzle more dressing. Add lemon zest!
