Summer is in full swing and there is so much going on at the club. If you are in town I hope that you have had a chance to join us. We've enjoyed pig roasts, bocce tournaments and pick up waffle ball. I'd like to highlight one upcoming new event. Our first Texas Hold'em fund raiser. For those unaware, we host a poker game every Monday night in the Lipton Cup room. This is a recurring event that has been going on for many years. This group of poker players, both men and women, have agreed to put on our first ever poker tournament and fund raiser. Proceeds will go to redecorating the Lipton Cup room. Don't know how to play Texas Hold'em? Don't worry! We've got coaches that can assist you with understanding the game and your hand. A few hours into the tournament we will break for a spaghetti dinner and then resume playing. Cash prizes for the winners! Hope to see you there. Here are the details:

General Manager Dan Parker

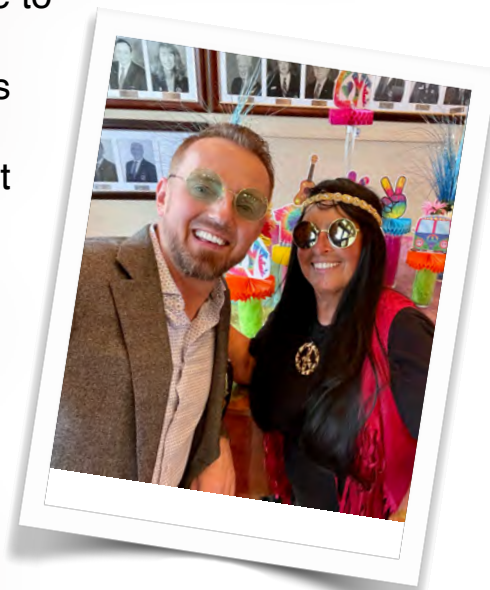

First of all, a big thank you to members who have become reservation pros on our website! The system is working very well, but if you have any technical issues or questions, please let us know.

I hope everyone enjoyed the 60's party at the end of July! Big thanks to Rome and her crew for organizing the food, entertainment, and decorations. If you haven't signed up for the Clambake on August 19th, please reserve by August 11th.

August's employee of the month is our dishwasher Alberto! Alberto has been with us since the start of the year, and is so incredibly helpful. Always looking to assist with the smooth running of the Kitchen, Alberto can not only be seen in the dish station, but also anywhere Chef Illiana needs him. Congratulations Alberto!

Our new website is very close to going live. We are trying to get this done by the time you read this. We will send out information and instructions once we go live. The website will remain ccyc.org with a new look, and the ability to log in to view your member account! We will continue to add functionality, but right off the bat you will continue to make reservations under the dining tab at the top.

In the Corinthian Spirit

This section always starts with gratitude and thanks to specific Members who have helped with the big task of the Vice being responsible for “The House”.

If ever there was someone to be grateful for this year it has been Leslie Hastings. You may remember back in December-February we had a huge staffing shortage at both the front desk and the accounting office. It was Leslie who stepped in to coordinate a host of Member volunteers to fill the gap. It was Leslie, along with Brian Buel, who took the reins and started producing the Navigator and our flyers. They have set a high bar for us all to reach for!

I promised Leslie that we would move the hugely time consuming production of the Navigator and flyers back to the office as soon as possible. With her resignation from the Board, this is now our first issue produced back in house. With any luck at all we will soon be seeing pictures of her and Van exploring Portugal. No one deserves it more than those two and we are indeed so grateful for your enormous contribution!

ON THE HORIZON

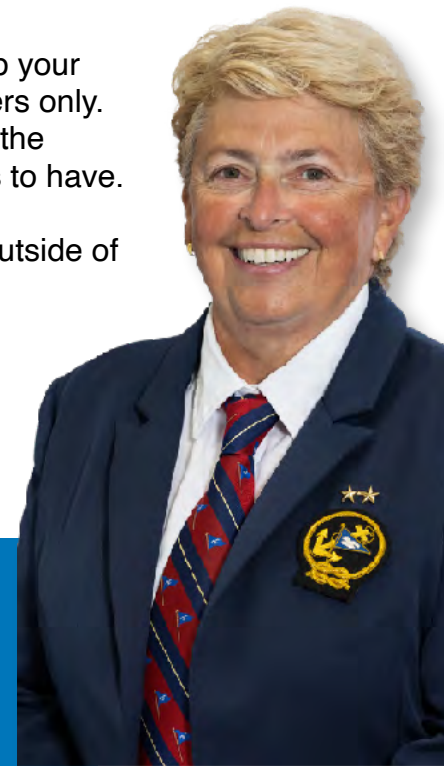

At long last our staff training on the new POS system has progressed to every seat, at each table configuration, having an assigned number. Now when a server or runner shows up with a delicious order of food they will know who at the table ordered it! Sounds simple and basic but learning curves take a bit of time.

On the accounting side of our new system you should now be getting a copy of your receipt from the previous day's expenditures in your email. If you are not, please ping Karina at accountingasst@ccyc.org.

The next big thing coming in August/September is that you will be able to set up your personal login to our website and access a host of features available to Members only. For example, you will be able to make a reservation for a specific event, select the names of who will be sitting at your table and which entree each person wishes to have.

Lastly, looking ahead to chillier weather we will be installing a heater over the outside of the single patio door we will use to keep our dining room warmer.

Oh happy day!

A groovy welcome to Shaina Frey!

Shaina is no stranger to CCYC....her parents were long time members so she knows her way around our club fairly well. Currently, Shaina resides in both Coronado and Las Vegas where she works in the family business. Growing up in Coronado, she is a 2007 graduate of CHS. Being a local alumnus has its privileges. For example, last year, she was able to drive her pink Mercedes (which is extremely special to her as it belonged to her mother originally) in the Homecoming Parade.

Little insight to Shaina, she is an avid car enthusiast...in fact, she is the proud owner of a total of 6 cars so that should keep you guessing on who's behind the wheel of her amazing collection.

Shaina also has a brother and sister-in-law who reside in Coronado as well. This gives her the opportunity to be an awesome aunt. In fact, it was her sister-in-law who reminded her about the great sense of community that exists at CCYC which is why she joined our club.

As you can see by this photo, Shaina's spirit came through in her FANTASTIC 60's outfit and she loves playing trivia with the Commodore on Monday nights....her team name is Golden Girls based upon one of her favorite TV shows. She is already planning her Halloween costume (of course, it's a surprise). We look forward to having her learn more about all the club activities and committees and know she will be an asset to CCYC. Welcome Shaina!

Thanks to those who attended the Marina tenant meeting. We had a great turnout. Revised/updated Marina Rules and Regulations were passed out to those attending and good discussions occurred. The updated rules were reviewed and approved by the Board of Directors several months ago and are substantially the same as previous years with some consolidations.

The key impact to tenants is likely the enforcement of long standing rules related to boat upkeep and participation in club activities. Pride in the appearance of our fleet is a yacht club tradition that needs to be upheld by all. Boat inspections will be resuming, if you haven't had your boat inspected please contact your Dock Captain's or myself to schedule a time.

We currently have two 40' slips available that can handle a 43' LOA. If you've been thinking about a boat under 43' or know of someone on a long waitlist at another yacht club please have them contact me.

Our rates are way under market so a new Member's initiation fee amortizes quickly.

We have been working hard to clean up our waitlists, making sure that only those seriously ready to accept a slip at a given length are on the lists. You can check the lists posted in the hallway. I update them monthly.

In an effort to minimize staffing, marina docks have not been washed down in several months. Dan has hired a part-time employee to help get things caught up. If you notice something that needs attention please contact me directly rather than asking a staff member to take care of it. This allows Dan and myself to prioritize and assign tasks.

See you around the docks!

Greetings CCYC Members,

Well, we are over half way with our scheduled raft ups for the season and I cannot believe it. I think we are all lost in the bliss of sunshine finally that we have lost track of the time...

We only have two raft ups remaining for the year and it is not too late to sign up. Here they are:

11-13 August; Mission Bay
 1-8 September; Newport/Catalina

These two locations and events are personally my favorite, both for their boardwalks to people watch and ample watering holes to keep the scurvy at bay!!

I hope everyone is having a great summer and I look forward to seeing everyone on the water!

Hi everyone. I wanted to share with you the financial results from the fiscal quarter ended May 31.

We ended the quarter with \$595,000 in cash and short term investments, compared to \$542,000 at the end of the first quarter, for an increase of \$53,000. We are in the process of moving most of these funds from low interest short term investments to similar accounts at banks that pay more competitive rates.

Our C Dock expenditures totaled \$930,000, which were funded largely by the \$920,000 loan arranged last year. Roof, sinkhole, and paving repairs totaled \$135,000, fortunately much less than we feared. This was covered by the proceeds from the assessment (\$166,000), with about \$21,000 excess from the assessment reserved for upcoming capital expenditures.

For the first six months of the year we had a profit of \$168,000, with most of that due to the assessment. Ignoring the assessment, we had an operating profit of \$6,000 in the second quarter compared to a loss of \$4,000 for the first quarter. Last year we had a loss of \$33,000 for the six month period before the extraordinary \$100,000 we received from the employee retention credit.

Financial results continue to be affected by our ability to attract events while we have the uncertainty around the grass area we have been renting from our neighbor. Hopefully we are close to a resolution of this issue.

We have implemented most of the of planned Club Essentials services with some of the anticipated confusion. On the accounting side it has streamlined our monthly procedures and should make your bills easier to understand. We all still have some learning to do.

As always you can communicate by contacting Karina at accountingasst@ccyc.org, or me at treasurer@ccyc.org.

Thanks for the support!

Best news of the day, the land based raft up trip for the Santa Barbara trip on September 5th is a go! The trains from San Diego to Santa Barbara are back in full operation. For those of you who have already booked your hotel please let Cruise Captain Carmen Loheed or I know if you're going and which hotel you are staying in so we can get the party started! If you haven't yet booked a hotel there are still rooms available. You can go online to book or call directly. The Hotel Santa Barbara, Mar Monte Hotel by Hyatt or the Harbor View Inn and Oceanfront Hotel are a couple of suggestions from Cruise Captain Carmen Loheed.

The plan is to depart Amtrak from the San Diego downtown terminal on the 5th of September. Departures are at 8:01am arriving Santa Barbara at 1:49 pm or for those of you that like to sleep in, there's a 12:01 pm arriving Santa Barbara at 5:46 pm. Pricing for Coach is \$45 pp and Business Class is \$66 pp each way. For our return on the 8th, your choices are 8:49 am or 1:45 pm. Remember this trip is for all CCYC members and of course all C-Gulls, spouses, friends and guests-- the more the merrier! I'll be on the 8:01am train to Santa Barbara and am so looking forward to a fun ride with lots of friends. If you are driving to Santa Barbara please let Carmen or I know

so that we can include you in any group plan information.

For those C-Gulls members who aren't going to Santa Barbara and who want to enjoy the club, there will be a luncheon for you on the 6th of September. Please see the attached flyer for details. Your check for \$30 dropped off in the C-Gulls box is your reservation. Cruise Captain Deb Goelz will be handing out your drink tickets and First Mate Linda Hayes will present the C-Gulls 2024 Slate of Officers. Voting on our 2024 Slate of Officers will take place at the October 4th luncheon.

August means it's time for the annual CLAMBAKE, so mark your calendars for the 19th of August as this always is a sold out event. The club is now taking online reservations so you don't miss out on the marvelous clams, mussels, salmon, lobster and more! An email blast to all members regarding the additional selection of lobster etc. has been sent out. Please respond with your table mates names and if they want lobster to avoid any problems the day of the event. We are very excited to have Side Traxx as our band for the evening. The Clam Bake is open to everyone in the yacht club and their guests. C-Gulls will be decorating that morning at 9:30, and would love to have everyone's help with the set up throughout the club.

The long saga of the installation of the new carpet and expanded burgee dance floor for the club is now finally in the works and is scheduled for installation in August. Thank you to all the C-Gulls and the Board of Directors for your support with this much needed renovation.

Summer is finally here, and Regalia is ready to celebrate with you! Our summer Mega sale is on Wednesday August 2, along with our picnic luncheon and women’s fashion show. Your Regalia team will be modelling, featuring summer clothing, from colorful cold-shoulder dresses and blouses to cool linen tops in white, pale blue, pink, or coffee. We also have many colorful hats to choose from, in navy, blue, white, cream, tan, yellow, pink and white.

Join us on the CCYC patio for this enjoyable annual event. Mimosas, wine or well drinks will accompany your picnic lunch of make-your-own sandwiches, dessert, and coffee or tea.

Summer is the time for picnics on the beach, brunch on the patio, or happy hour on your electric boat. We have newly arrived blue CCYC-logo Tervis thermoses to keep your drinks cold for up to two days. These slim beauties can take an entire bottle of wine, or some vodka and tonic with ice. The two-day chill test may never actually happen.

You can pour those cold drinks into Tervis tumblers with the CCYC logo. These come as individual drinkware, or in sets of four. To continue the blue theme, snap up the last of our shark charcuterie boards before it is too late. Drop your check off for the August 2 event—and shop with us all summer long.

AUGUST 2023 BOOK CLUB SELECTION

The Wager - David Grann

#1 NEW YORK TIMES BESTSELLER From the author of *Killers of the Flower Moon*, a page-turning story of shipwreck, survival, and savagery, culminating in a court martial that reveals a shocking truth. The powerful narrative reveals the deeper meaning of the events on *The Wager*, showing that it was not only the captain and crew who ended up on trial, but the very idea of empire.

"Riveting...Reads like a thriller, tackling a multilayered history—and imperialism—with gusto." —Time

SEPTEMBER 2023 BOOK CLUB SELECTION

Other Minds - Peter Godfrey-Smith

In *Other Minds*, Peter Godfrey-Smith, a distinguished philosopher of science and a skilled scuba diver, tells a bold new story of how subjective experience crept into being - how nature became aware of itself. As Godfrey-Smith stresses, it is a story that largely occurs in the ocean, where animals first appeared. Tracking the mind's fitful development, Godfrey-Smith shows how unruly clumps of seaborne cells began living together and became capable of sensing, acting, and signaling.

By tracing the question of inner life back to its roots and comparing human beings with our most remarkable animal relatives, Godfrey-Smith casts crucial new light on the octopus mind - and on our own.
